

Childbirth Educator Training Online Accelerated Course

Fee \$495

The cohort training option provides students with:

- Defined structure with deadlines
- An opportunity to connect live with an instructor each week
- Ability to build a community of peers
- Ability to complete childbirth educator certification within 12 weeks

Course supplies included will be shipped free in the USA.

Students must purchase the book [Pregnancy, Childbirth, and the Newborn](#).

Additional curriculum book, [The Educator's Guide](#) is optional.
